PROFILE SUMMARY

I am a seventh-semester Software Engineering student specializing in front-end web development. My expertise includes HTML, CSS, Bootstrap, Tailwind CSS, and JavaScript, with a strong focus on building responsive, user-friendly, and visually appealing interfaces.

WORK EXPERIENCE

Maroof International Hospital

- Completed a 3-month internship in the IT Department at Maroof International Hospital.
- Gained hands-on experience in front-end web development, applying HTML, CSS, Tailwind CSS, and basic JavaScript in real-world tasks.
- Provided hardware support, including troubleshooting systems, printers, network devices, and routine maintenance.
- Assisted as an HIS (Hospital Information System) support officer, helping staff with software issues, login problems, and workflow navigation.
- Contributed to IT support operations, including system checks, user assistance, and resolving technical issues promptly.
- Strengthened problem-solving skills and improved understanding of IT infrastructure and hospital-based systems.
- Collaborated with the IT team, improving communication, task management, and professional workplace experience.

EDUCATION

2022 – 2026	Bachelors in Software Engineering INTERNATIONAL ISLAMIC UNIVERSITY ISLAMABAD
2020 – 2022	Intermediate In Computer Science IMCB F-10/4
2018 – 2020	Matriculation ISLAMABAD MODEL SCHOOL FOR BOYS G-11/2

PROJECTS

Personal Portfolio Website

HTML, CSS

- Designed and developed a fully responsive personal portfolio website to showcase my skills and projects.
- Focused on clean layout, typography, and smooth user navigation.

Car Rental Website

HTML, CSS

- Created a front-end design for a car rental platform, highlighting vehicle listings and booking sections.
- Implemented modern UI styling and responsive layouts for a professional look.

E-Commerce Website

Tailwind CSS, JavaScript

- Developed a dynamic, responsive e-commerce website with product listings and interactive features using JavaScript.
- Focused on front-end design, user interface enhancement, and a smooth shopping experience.
